Dear Mr. Wist:

Subject: National Board Certificate of Authorization to Register
Type of Issuance: New
EXPIRATION DATE: December 7, 2009

Enclosed is your company's National Board Certificate of Authorization to register boilers, pressure vessels, and other pressure retaining items manufactured in accordance with a code of construction accepted by the National Board.

A renewal notice for the National Board Certificate will be mailed three (3) months prior to the expiration date shown on the certificate.

The enclosed instructions contain information necessary for the registration process. It is suggested that this information be retained for future reference. If you have any questions, please contact Connie Luckeydoo in the Authorization Department at 614.431.3230.

Yours truly,

John D. Hoh
Technical Projects Administrator
